MEN'S BIBLE STUDY

Sessions are led by Rev. Sam Forester from Whiteside Presbyterian Church. We gather on Tuesdays from 9:00 am - 10:00 am at the club. The study will focus on the gospel and the concepts that make it relevant to believers. Bring your Bible and join us!

Contact: Tom Gieseey - gieseey705@comcast.net

WOMEN'S BIBLE STUDY

CCSV Women's Bible Study meets at 9:00 am each Wednesday in the Function Rooms, starting June 5. We begin each gathering with a time for coffee and fellowship before turning to our weekly study. This year our group will be exploring *The Faithful, Heroes of the Old Testament*. We joyfully welcome all--talkers, listeners, part-timers, full-timers, Bible scholars or beginners--to share with us in the study of the Word.

Groups To Join

CCSV CARES

CCSV Cares extends friendship and care to club members and staff. We send emails, cards, letters, make phone calls, and home visits to people with issues of personal concern and family matters...health, surgeries, death in the family, etc. We also recognize events of congratulations and success. We invite you to join us and help with our mission of maintaining a line of communication with those undergoing difficult circumstances and those experiencing happy times.

WESTERN CAROLINA EVENTS

Meet representatives who can tell us all about the varied programs at WCU for inquiring adults. Programs include Life@Western, Summer Dulcimer Week Concert series featuring national artists, and the “green” Native Plant Conference. You will also be introduced to Catamount Athletics that includes award-winning track and field, basketball, baseball, and football. WCU also offers acting and musical performances that amaze. As you can see, WCU has much to offer our members.

CCSV CARES CHARITY TOURNAMENT

The CCSV Cares Charity Tournament will be supporting the Boys & Girls Club of the Plateau (BGCP). BGCP operates with a mission to enable all young people, especially those who need us most, to reach their full potential as productive, caring, and responsible citizens. We are a Member Organization of Boys & Girls Clubs of America (BGCA), a nationwide movement of community-based, autonomous organizations working to help youth of all backgrounds develop the qualities needed to become leaders. BGCP was originally created to fill a critical need for afterschool youth development in the Cashiers area. We offer daily access to a broad range of programs that are all focused in some way on our three Priority Outcome Areas: Academic Success, Healthy & Active Lifestyles, and Good Character & Leadership.

Boys & Girls Club of the Plateau houses its daily activities in the Cashiers Community Center. From these humble beginnings, we continue to grow and incorporate more programs and activities to enhance the experience for every child.

WOMEN'S BOOK CLUB ("BOOKWORMS")

Curious to know what others are reading? Come see what books are being recommended. Book Club, however, is more than just reading. It's an opportunity to delve further into what's been read, exploring one's personal reaction, and hearing the different reactions and viewpoints of others. Members choose the books and are encouraged to participate in the discussion.

The regularly scheduled meetings will be at 2:00 pm on June 10, July 8, and August 19. At our first meeting on June 10, we will select the new books for the season. We will also discuss our winter reading "*Unbound*" by John Shor. We hope to have an Author luncheon in September.

In addition to the regularly scheduled meetings, we encourage members to set up meetings separately to discuss other books not chosen as a book of the month, welcoming all who would like to participate.

MEN'S BOOK CLUB

Our mission is to promote reading, enjoyment, and discussion of books, especially those relating to past and present events. We may read overviews of government and policies as well as historical novels. No genre is excluded pending approval of the majority of the members. Meetings are held on the third Monday of the month at 4:00 pm.

TED TALK

TED stands for “Technology, Education, and Design”. A TED Talk is a 15 to 20 minute talk by a professional who has discovered, created, researched, thought deeply with insight and/or become an expert on something that could be helpful for others to learn about. The topic could be human nature, economics, education, brain workings, nature, science, or cultural. These talks have been sponsored by a non-profit, non-political organization for many years. After listening, there will be a discussion about the presentation. Both parts are inevitably fascinating and insightful. Looking forward to it.

TECHNOLOGY LESSON

Would you like to learn more ways to use your iPhone rather than just calling? Or perhaps you're asking yourself what “the cloud” is? Sign up for this class with Josh Harris, and learn how to navigate technology like a pro! Enjoy and learn from the interactive session covering the many and varied aspects of products such as the iPhone, iPad, Windows 10 and other laptop software. The cost is \$20 per member.

CPR TRAINING

CPR training is designed to refresh and build confidence in the participant's ability to recognize the need for, and give, safe and effective cardio-pulmonary resuscitation. It will be a half day course taught by certified CPR instructors. Participants will be taught the hands-on basics of CPR, including use of the automatic external defibrillator, and Heimlich maneuver. Skills necessary to qualify for the award of Basic Cardiac Life Support certification should be attained. Cost of the class will be approximately \$40 per person.
